1. Offer valid on registrations made between October 1, 2026, thru March 19, 2027. Fixed 0% APR from the date of registration, which may be prior to delivery, until December 2027, when the entire transaction amount and accrued interest are due in full.

OFFER CONDITIONS

- To qualify for this program a grower must purchase and be invoiced for N-Finity™. Once all program conditions are met a grower may finance up to 200% in the additional eligible products
- Growers must purchase and be invoiced for eligible products by September 30, 2027 to participate in the program
- Growers may only participate in one financing program on each crop protection product/dollar

BRIDGE FINANCING

- Nutrien Financial customers may register a commitment to lock in the best terms, rates & incentives of the program year, before a prior year's bill is due, without increasing a credit line. Accounts may not bridge more than the total credit line and must have available credit at time of invoicing.
- Any early registrations & incentives will be canceled if prior year's balances are not paid & applied by the next, month-end statement date, including any accrued interest or past due finance charges, after due in full. If canceled, customers may re-register once their account is in good standing. Current program terms, rates and incentives will apply at the time of the new registration.
